

Welcome to the Department of Software Engineering

Objectives

➤ Program Offered

- Software Engineering
- Programming
- Computer System Engineering
- Software Development Engineering
- Software Management Engineering

➤ Facilities

- Research Facility
- Industry Academia Collaboration
- Modern Lab Facility

➤ Why to choose us

- Academic and Industry focus
- Industry Linkage
- Exchange Program

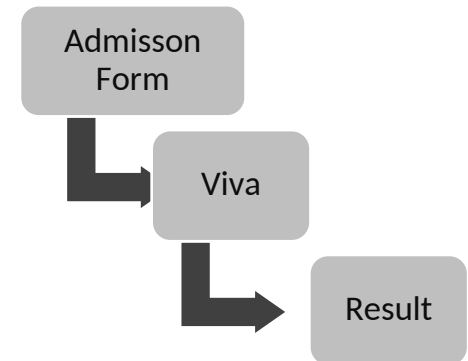

A data-driven approach is when decisions are based on analysis and interpretation of hard data rather than on observation. A data-driven approach ensures that solutions and plans are supported by sets of factual information, and not just hunches, feelings and anecdotal evidence.

DATA SCIENCE LAB

- Global Exposure

ADMISSION PEOCEDURE

CONTACT

Daffodil Smart City, Birulia, Savar, Dhaka-1216
