- Public Speaking Fundamentals by a2i

SKILL

Microsoft Office	
Programming	
Coding	
Communication	
Team Collaboration	
Problem Solving	
Leadership	

LANGUAGE

Bangla	
English	
Hindi	

CAREER OBJECTIVE

Driven by a strong passion for programming and problem-solving, I aim to grow as a skilled software engineer and contribute to leading tech companies by building impactful and advanced technological solutions that improve everyday life.

EDUCATION

2025
To
Present

Bachelor of Science in Software Engineering
Daffodil International University
CGPA: Not yet published.

2022
To
2023

Higher Secondary Certificate
Cumilla Cadet College
GPA: GPA-5.00

2020
To
2021

Secondary School Certificate
Cumilla Cadet College
GPA: GPA-5.00

EXPERIENCE

I have gained problem-solving experience through the Beecrowd Online Judge and was an active member of my college Computer Club. During my time at Cadet College, I participated in various science and class display projects and took part in Math and Physics Olympiads, which strengthened my analytical and logical thinking skills.
